Letter No. 425—J., dated 8th December 1896, from the Registrar to the Inspector General of Prisons in Mysore and its enclosures.

Adverting to paras 17 and 23 of the Report on the Administration of Jails in the province of Mysore for the year 1895-96, forwarded with this office No. 331—J., dated 22nd October 1896, I have the honor to state that Statement No. II calls for statistics of the religion, age and previous occupation, and No. III and D of the nature of crime and length of the sentences of convicts, *remaining on the last day of the year* for which the report is drawn up. But the corresponding statements prescribed for the Jails in British India requiring statistics of the said particulars of all convicts in prison *during the year* appear to be more useful for the purposes of the report. I am, therefore, directed to request that Government may be pleased to sanction the modification of these statements as indicated in the forms of printed statements herein enclosed.

C. SREENIVASIENGAR,
Secy. to Govt., Gen. & Rev. Depts.

To—The Registrar to the Inspector General of Prisons in Mysore

Letter No. 4780, dated 26th December 1896, from the 1st Assistant to the Resident in Mysore, to the Dewan of Mysore.

I am directed to invite a reference to this office letter No. 2793, dated the 16th September 1891, with which was forwarded a copy of Foreign Department Notification* No. 3542-I, dated the 27th August 1891, declaring the Officers who shall, in the Dominions of Princes and States in India in alliance with Her Majesty, discharge the duties of a District Judge under Section 64 of the Administrator-General's Act (II of 1874) as amended by Section 13 of Act II of 1890.

*In exercise of the powers conferred by Sections 4 and 5 of the Foreign Jurisdiction and Extradition Act (XXI of 1879), and of all other powers enabling him in this behalf, the Governor-General in Council is pleased to declare that the powers and duties which are conferred and imposed on a District Judge, by Section 64 of the Administrator-General's Act, (II of 1874) as amended by Section 13 of Act II of 1890, shall, in the Dominions of Princes and States in India in alliance with Her Majesty, be respectively conferred upon and discharged by the following officers:—

(*a*) in any dominion in or for which a District Court has been established or continued by the Governor-General in Council, the Judge of that Court:—Provided that when more than one Officer exercises the powers of a District Judge in any such dominion, it shall be competent for the Officer who exercises in that dominion the powers of a High Court to determine by whom the aforesaid powers and duties shall be exercised in any particular case or within any specified area in that dominion; and

(*b*) in all other cases, the Political Agent (as defined in Section 3 of the first mentioned Act).

2. Those duties, the Durbar are aware, were, prior to the Rendition, performed by the District Judges of Nundydroog, Ashtagram and Nagar divisions, and even after the Rendition they continued to perform those duties till August 1891, when the above Notification appeared. Since then the District Judge in the Civil and Military Station has, in two instances, been called upon to discharge those duties, both by the Mysore Courts and by the Administrator-General of Madras; in both instances he has been kindly assisted by the Officers of the Durbar through whom information of the deaths of the persons concerned reached the Administrator-General.

3. Mr. Krishna Rao having now brought to notice that this additional work interferes with his ordinary duties, I am to point out that, on looking into the matter, Colonel Robertson is of opinion that the Resident in Mysore is the District Judge for the purposes of the Administrator-General's Act for the whole of Mysore outside the Civil and Military Station of Bangalore, and not the District Judge in this Station whose jurisdiction is expressly confined to the Civil and Military Station.

4. To enable him to perform the duties devolving on him under Section 64 of the Act, I am to ask that the Durbar will kindly instruct the Deputy Commissioners of the several districts to report to this office, through you, when any person other than a Hindu, Muhammadan, Parsi or Buddhist, or a person exempted under the Indian Succession Act, 1865, dies leaving assets within the limits of their respective districts. The particulars required by the section above quoted should also be given, when the Resident will make the necessary report to the Administrator-General, Madras, and issue any orders that may be required.

No. 7953-61—J. 918, DATED, BANGALORE, 14TH JANUARY 1897.

ORDER THEREON.—Communicated to the Deputy Commissioners of districts for information and guidance with a request that the instructions contained in para 4 may be strictly and promptly observed.

Adverting to the correspondence ending with your letter No. 1552, dated 28th April 1896, in regard to the offer of the Commissary General, Madras Command, to hand over to the Durbar, in lieu of the land between the Cattle Depôt Office and the Taluk Cutcherry, the hospital now maintained by his department at Hunsur, on condition of medical aid being afforded by the Mysore State, free of all charges, to the establishments of the Cattle Depôt at Hunsur, I am directed to request the favor of being informed whether, in the event of the proposal being accepted by the Durbar, the Commissary General would agree to the dispensary in question being solely under the control of the Mysore Government, the Commissariat Department not asking for any voice in its management, or for the submission of any returns, reports or accounts, and not objecting to the occasional absence of the Hospital Assistant from his station on duty in connection with urgent cases, epidemic diseases, &c., in the interior of the taluk, or with giving evidence in Criminal Courts.

II. Letter from the First Assistant to the Resident in Mysore, No. 2238, dated 20th June 1896.

2. With the exception of the two documents (a sick roll and a weekly return—specimen forms enclosed—) the submission of no returns, reports or accounts will be asked for, and no objection will be raised to the occasional necessary absence of the Hospital Assistant from Hunsur.

III. Letter to the First Assistant to the Resident in Mysore, No. 14006—16-93, dated 30th June 1896.

I am directed to acknowledge the receipt of your letter, dated 20th June 1896, No. 2238, stating that the Commissariat Department agrees to the dispensary at Hunsur being solely under the control of the Mysore Government, and to state in reply that the Durbar accepts the proposal of the Commissary General to transfer the dispensary to the Mysore Government. transfer to the Mysore State of the hospital maintained for the cattle establishment at Hunsur detailed in the margin (in lieu of the military land, the transfer of which, free of charge, has already been sanctioned), on condition that the State affords medical aid, free of charge, to the cattle establishment referred to above.

No. 7652-4—L. F. 96-95, DATED, BANGALORE, 6TH JANUARY 1897.

ORDER THEREON.—The additional grants applied for in the above are under the following heads:—

CIVIL CHARGES.

			Rs.
(1)	III. Hospitals and Dispensaries	.. ..	153
(2)	IX. Contributions	.. ...	932

2. *Item* 1 is stated to be required on account of (1) increased pay to the compounders of the Local Fund dispensaries sanctioned in Proceedings No. 13250-1—1962, dated 8th June 1896, and of (2) the cost of feeding in-patients in the Local Fund dispensary at Hiriyur. The increase to compounders sanctioned in the Proceedings of 8th June 1896, being Rs. 14 per mensem, and the extra sum required for feeding in-patients being stated to be Rs. 25 it is not apparent how the total of Rs. 153 has been arrived at instead of Rs. 137. The Deputy Commissioner is requested to submit a statement showing the names of dispensaries, the rate of increase to the compounders attached to each and the quota thereof payable from District Funds and Municipal Funds. Pending information, the provision proposed will stand.

3. *Item* 2, which is required on account of contribution towards the construction of a dispensary for women and children at Chitaldrug, is passed.

3. The sum of Rs. 4,807, shown by the Comptroller as the actual balance on 1st July 1896, will be adopted in lieu of the approximate balance of Rs. 15,801 proposed by the Deputy Commissioner.

Expenditure.

4 A. *Public Works to be executed by Public Works Department.—I. Original works.*—For metalling and tunnelling the Sagar-Siralkoppa road, a sum of Rs. 3,000 is provided in the present budget in addition to Rs. 4,000 sanctioned in the original budget. With reference to this, it is observed that, if out of the total estimate of Rs. 17,318 the probable expenditure up to the end of 1895-96, *viz.*, Rs. 13,294, be deducted, the balance to be spent during 1896-97 would be only Rs. 4,024. The necessity for a supplemental grant of Rs. 3,000 in addition to the original budget grant of Rs. 4,000 is not apparent. Pending explanation, the provision will stand.

5. ***B. Public Works to be executed by Revenue Department.***—The additional grant of Rs. 2,595 required on account of the incomplete works of 1895-96 and of repairs to musafirkhanas and cattle-pounds, is passed with the observation that the amount of estimate for each work and the amount spent thereon should have been given in the statement of details.

7. ***III. Hospitals and Dispensaries.***—The details under this head are given in the margin.

(3) Increase of pay of compounders according to the revised scale	264

Item. I. on account of extra allowance to the Hospital Assistant at Shikarpur will be retained, pending the issue of final orders on the proposal to send the said Hospital Assistant to Siralkoppa once a week to render medical aid.

8. *Item II.*—The sum of Rs. 30 provided for the increased rate of charge allowance to the Hospital Assistant at Sorab is in accordance with Government Proceedings No. 4778-80—L. F. 279-92, dated 13th October 1896, and is passed.

9. The sum of Rs. 264 entered in the budget, to meet the increased scale of pay of the compounders of the various hospitals and dispensaries sanctioned in Government Proceedings No. 13250-1—Mis. 1962, dated 8th June 1896, will be retained subject to the submission of a statement showing the rate of increase to be granted to the compounder of each Local Fund dispensary, the quota payable from the District Funds and Municipal Funds and the source from which the latter can be met.

10. The sum of Rs. 105 newly entered in the present budget to meet the dieting charges of in-patents in the several Local Fund dispensaries will be raised to Rs. 600 in accordance with the order contained in Proceedings No. 5876-85—L. F. 112-95 dated 23rd November 1896.

11. As proposed by the Comptroller a provision of Rs. 80 will be made in the present budget to meet ¾rd cost of charge allowance to the Hospital Assistant attached to the Petta dispensary. He is, however, requested to quote the authority sanctioning the charge allowance referred to.

Value of instruments	70
Total	190

13. The other items, which are based on sanctions already conveyed, call for no remarks and are passed.

14. As the closing balance is less than the prescribed minimum balance by Rs, 1,992 the Deputy Commissioner is requested to effect such savings as may be feasible in the sanctioned budget allotments, so as to enable the prescribed minimum balance being maintained at the close of the year.

These differences should either be explained or adjusted in communication with the Comptroller.

6. *Sayer.*—The balance of Rs. 1,545 remaining uncollected in the Tumkur district should be collected early. The reason for such a heavy balance under this head should be explained.

7. ***Mohatarfa.***—The closing balances were heavy in the Kolar and Mysore districts, being Rs. 11,440 and Rs. 9,646, respectively. Measures should be adopted for their prompt recovery.

8. ***Miscellaneous.***—There is a general increase in demand under this head resulting in an additional revenue of Rs. 225,869 for the whole province. The receipts from Mining leases likewise show an increase of Rs. 1,56,302. The balance under "Miscellaneous" is very heavy in the Shimoga and Mysore districts, being Rs. 14,159 and Rs. 12,599, respectively, while there are no arrears in any of the other districts except Hassan and Bangalore, where the arrears are only Rs. 620 and Rs. 208, respectively. C. SREENIVASIENGAR,
Secy. to Govt., Gen. & Rev. Depts.

To—The Deputy Commissioners of Districts.

No. 6150-57—R. 2096, DATED BANGALORE, 9TH JANUARY 1897.

ORDER.—The attention of Deputy Commissioners is requested to para 3 of the Remarks appended to village form of accounts No. 7, (Page 92 of the Land Revenue Rules) by which a systematic and minute field inspection is insisted upon, and the desirability of a certain percentage of the whole of the numbers in the village being tested by both the Amildar and the District Officer, at the time of the jamabandi, is suggested.

2. Government desire to impress upon the District and Jamabandi Officers the great importance of this duty being properly and efficiently done, and they accordingly direct the Amildars and Jamabandi Officers to note in the Village Pahane Books the numbers of lands which they inspect and add any remarks regarding the general accuracy of the entries made by shanbhogs.

3. Attention is also invited to the direction that the Pahane inspection should be made twice during the year. The District Officers should bear in mind that it is the information thus entered in their books which forms the basis of the estimates of outturn and production, and they should satisfy themselves by every means in their power that the Pahane inspection is properly made and the required information accurately entered.

4. The entry regarding the source of irrigation has an important bearing upon private rights especially when it is a spring or well, and too much care cannot be taken in recording that information correctly. The Deputy Commissioners and Jamabandi Officers should also test the accuracy of as many entries as they can under this head, during the time of the jamabandi.

2. There has been a decrease of Rs. 1,81,206 in the total demand of which Rs. 21,145 was due to the reduction in the opening balance at the beginning of the year as shown below :—

	Rs.
Opening balance at the beginning of the year 1894-95	94,558
Balance at the close of 1894-95	95,612
Deduct amount intimated by the Deputy Commissioner as having been adjusted by the Comptroller in the accounts for 1894-95 against the Bangalore district on account of Railway fuel.	1,234
Deduct amount against the Mysore district on account of the value of sandalwood treated as receipts for 1894-95 in the Comptroller's accounts.	20,965
Total amount deducted ...	22,199
Net opening balance for 1895-96 ...	73,413
Difference ...	21,145

The remaining decrease of Rs. 1,60,061 was due to the net fall in the current demand, notwithstanding an increase of Rs. 54,647 in the Kolar, Tumkur and Hassan districts as shown below :—

Districts.	1894-95.	1895-96.	Difference.
Bangalore	1,36,212	90,787	— 45,425
Kolar	41,946	45,015	+ 3,069
Tumkur	31,025	37,040	+ 6,015
Mysore	4,54,334	4,08,632	— 45,702
Hassan	1,08,839	1,54,402	+ 45,563
Shimoga	4,62,609	4,23,759	— 38,850
Kadur	1,64,215	87,010	— 77,205
Chitaldrug	25,579	21,406	— 4,173
Huzur Treasury...	12,425	9,072	— 3,353
Total ...	14,37,184	12,77,123	— 1,60,061

The decrease in the Bangalore, Mysore, Shimoga and Kadur districts is large. In the Kadur district, a large portion of the sandalwood collected was left unsold for want of proper rates, and there was no supply of sleepers to the Railway Company during the year. The decrease of Rs. 19,954 in the Mysore district up to the end of December 1895 is attributed partly to the reduction both in the quantity of sandal sold and in the rates realized and partly to the poor crop of gall-nut. There was a further decrease of Rs. 25,742 in the same district during the second half of the year which needs explanation. The reports from the Bangalore and Shimoga districts have not been received and the Deputy Commissioners are requested to submit them without delay.

3. The percentage of balance to the entire demand were as follows:—

Districts.	1894-95.	1895-96.
Kadur	5·3	12·3
Mysore	13·2	9·4
Bangalore	2·9	1·6
Kolar	2·4	1·5
Shimoga	2·3	1·1
Tumkur	·2	·3
Hassan	1·1	·1
Chitaldrug	Nil.	·03

4. The attention of the Deputy Commissioners of Mysore and Kadur is drawn to the heavy balances of Rs. 45,057 and Rs. 11,826 remaining uncollected in their respective districts.

5. The total demand and collection in the Bangalore and Kolar districts as per monthly returns under review do not correspond with the figures given in the annual returns submitted by the Deputy Commissioners as noted below :—

Districts.	As per monthly returns.	As per annual returns.	Difference.
Bangalore—			
Demand including arrears ...	93,587	93,580	+ 7
Collection including remissions ...	92,087	92,080	+ 7
Kolar—			
Demand including arrears ...	46,072	46,526	— 454
Collection including remissions ...	45,367	45,821	— 454

These discrepancies require early explanation.

The following letter No. 1871—160, dated the 30th November 1896, from the Conservator of Forests in Mysore.

Referring to my letter No. 337—32 of 21st July and Government Proceedings No. 1283—Ft. F. 10-96 of 2nd August thereon, I have the honor to report that I have since had an opportunity of inspecting the locality and am strongly of opinion that not only should the Punjur-Bedaguli trace be converted into a cart road, but that a further development of communications to the north, through what is known as the "Malai Kadu," is necessary for the opening out and proper working of the Chamrajnagar State Forest.

2. This forest, with an approximate area of 98½ square miles, has been cruelly over worked and overgrazed on the lower slopes and outer portions towards the west which have been denuded of all valuable trees except sandal, which is suffering from the removal of its congeners and deprivation of lateral shade, and ought to be closed and subjected to reproductive measures; whilst the inner and more hilly portion which embraces at least half the total area may be worked with advantage provided a system of roads is developed. I do not think it is rich in valuable timber trees. Teak of any size is very rare and Rosewood (Bite) not frequent, but there is a fair quantity of Honne and a great deal of Matti (*Terminalia tomentosa*) and Alalé (*Terminalia chebula*) from which large quantities of gall-nuts should be collected. A fair idea of the resources of the forest as regards trees of the reserved classes over one foot diameter may be arrived at from the fact that the stump fees alone on such trees on the Bedaguli Estate, (Gorahatti Kavé) 458 acres, came to Rs. 10,369. The forest is rich in timber trees of less valuable species and bamboos, large quantities of which with proper communications and systematic working can be profitably placed on the market and find a ready sale at Chamrajnagar and Nanjangud where the demand is in excess of the supply,

3. I must, therefore, solicit the further and early attention of Government to the matter and request their sanction, if I can make funds available, for the conversion of the existing Punjur-Bedaguli bridle path into a cart road this official year, or partly in this and partly in next. This trace is ten miles in length and in only one portion does the gradient exceed one in seventeen. It is proposed to make a diversion there and get rid of zig-zags which will probably increase the length by one or two miles. After careful consideration of the estimates framed by Public Works Department, Mr. Morris, and the Forest Range Officer, I think we may safely, in view of the work already done, adopt Rs. 1,000 per mile or Rs. 12,000 in all as a basis, and to this Mr. Morris offers to contribute one-third and do the work without prepayment and subject to approval by the District Forest Officer and Range Officer. Mr. Morris is, of course, alive to his own interests, as he wishes to improve the communications to his estates and dispose of the timber on which he has paid us the large amount of stump fees above mentioned, but he is an excellent road tracer and maker and is doing similar work for the British Government on the eastern side of the Biligirirangan hills. I should mention, in this connection, that if we make the Punjur-Bedaguli cart road there will be through connection for carts within a year from Punjur to Kollegal which cannot fail to be a great boon to the travelling public and do much to open out the country, whilst it will not in the least interfere with shikar or Khedda operations in which on the contrary it may be of much use whilst, being a Government road through a State Forest, the right to close it at will can be reserved.

4. With regard to the larger question of opening out a road through the forests to the north ali I would ask at present is sanction to survey the country and make trial traces on which estimates may be framed. From what I saw and ascertained on the spot it will be a heavy work especially if continued down to the plains, but it will be very useful for the extraction of timber, firewood and minor forest produce and invaluable if those hills, or any portion of them, are ever to be opened out for the planting of coffee, cardamoms, &c.

5. I enclose a tracing from Topo sheet No. 70 showing the present Punjur-Bedaguli trace and the approximate direction of the proposed extension down to Jotigoud apur. As I have shown it, it runs just outside the Yelandur Jahgir boundary on the hills, but would probably cross it in places. In any case it would be of much benefit to the Jahgirdar, and Mr. Krishna Murti to whom I mentioned the subject in Mysore appeared to recognise this and expressed his willingness to contribute substantially. The portion in the plains will open out a good deal of valuable land for cultivation, and its construction and maintenance may well form a charge on Local Funds.

6. I trust I have made out a good case without entering into unnecessary details and wish Government to understand that we are in no way bound to Mr. Morris or any one else with regard to construction, but free to carry out the work by means of whatever agency commends itself as the best and cheapest, and that there is fortunately a good Range Officer on the spot (Gundal Range Officer, Mr. H. Srinivasa Rao), who can with confidence be entrusted with the supervision of the work.

No. 6117-18—Ft. F. 10-96, dated, Bangalore, 6th January 1897.

Order thereon.—Under the circumstances now represented, the Government are pleased to approve of the proposal to convert the Punjur-Bedaguli bridle path into a cart road, the work being carried out as a forest road, and accordingly sanction a sum of Rs. 12,000 for the purpose, including the contribution of one-third of the cost promised by Mr. Morris, which may be received. The Conservator is requested to submit a re-appropriation statement providing the necessary funds. The execution of the work will be left to the Conservator of Forests who is at liberty to engage Mr. Morris' services as proposed.

2. A survey of the country up to Jotigondanapura through the Kheddas proposed in para 4 is also approved, and the question of opening out a road through the forests will be considered on the submission of the Conservator's further report

The following letter No. 2301—190, dated 31st December 1896, from the Conservator of Forests in Mysore.

Certain rules regarding uniforms to the Forest Executive and Protective staff were sanctioned and published under Government Proceedings No. 7263-4—R. F 348-92, dated 17th October 1893.

2. The basket turban prescribed for Forest watchers was found unsuitable and objectionable to the wearers and a loose turban of khaki and white and black border substituted by my predecessor. I propose to adopt the latter pattern in future and to add "pattis" to the watchers' uniform at a cost of as. 10 per pair which will make it much more serviceable and comfortable for the wearers. The "choppers" supplied to the watchers at a cost of Rs. 2-4-0 are very cum-

bersome and quite useless. I see from the correspondence on record that exception was taken to them at the outset, but they were declared to be steel though badly tempered. I should have thought they were made of hoop iron as they will cut nothing.

3. With the approval of Government I propose to substitute a little axe with hammer head at back, same as in use in the Department throughout British India. It is not contended that the axe is so useful as the ordinary bill hook for clearing the way through forest, but it is sufficient to blaze trees or logs with and the hammer head on reverse serves to stamp selected trees or logs placed under attachment with the Government mark and watcher's number, which is sufficient for identification. I send herewith specimens of the "chopper" and "axe" so that Government may judge for themselves which is preferable and likely to be acceptable to the wearers.

4. The cost of the axes supplied by the same man who makes the Madras supply is Rs. 3-8-0 each or Rs. 1,484 for 424 watchers, the number of the existing staff. I may be able to secure some reduction by calling for tenders, but, if Government approve, propose to provide Rs. 1,500 in the budget for 1897-98 for the purpose of supplying the new accoutrement and disposing of the old for whatever they will fetch which will I fear not be much.

5. A copy of the rules on the subject, with slight amendments or alterations suggested, will be submitted for sanction on receipt of Government Proceedings intimating general approval of the above proposals or otherwise.

No. 6281-82—Ft. F. 23-95, DATED, BANGALORE, 15TH JANUARY 1897.

ORDER THEREON.—The proposals made in the letter read above are approved.

The following letter No. C. 154, dated the 16th January 1897, from Colonel I. Campbell Walker, Conservator of Forests in Mysore.

Government having been pleased lately to accord their sanction to my proposals to do away with Forest sub-divisional charges in the Mysore district and to adopt the Range as the unit of Forest administration, *vide* Proceedings No. 4981-90—Ft. F. 19-96 of 2nd December last, I have the honor to request that the abolition of the only two sub-divisional charges still remaining, *viz.*, Shikarpur and Channagiri in the Shimoga district may be similarly sanctioned. No Forest Officer stands permanently posted at present to either sub-division, Mr. B. Srinivasa Rao having been ordered, in Government Notification No. 4945—Ft. F. 91-95, dated 1st December 1896, to report himself to my head-quarter office for orders on the expiration of his medical leave, and Mr. J. J. Monteiro appointed only to act for him during his absence.

2. I have, after personally conferring with the District Forest Officer, during my recent tour in that district, approved of his proposals for the re-distribution of executive Forest charges and the constitution until further orders of five Range charges as per margin. Messrs. J. J. Monteiro (Acting Assistant Conservator), M. Srinivasa Rao (Acting Extra Assistant Conservator) and P. E. Benson (Sub-Assistant Conservator) will hold charge of Shikarpur, Sorab and Shimoga Ranges, respectively. One of the two remaining charges will be held by a Ranger and the other by a 1st Grade Forester, the postings having been made with due regard to the relative importance of the charges.

(1) Shimoga.
(2) Shikarpur.
(3) Sorab.
(4) Channagiri.
(5) Nagar.

3. The permanent clerk attached to the present Shikarpur sub-division office is now working in my office as a temporary Accountant, and he will be provided for in filling up a recent vacancy on same rate of pay. I propose to utilize the pay, Rs. 25, to provide for two clerks, one on Rs. 15 and the other on Rs. 10 for the new Range offices, in view to avoid incurring any additional expenditure on that account, the other clerical and menial establishment required for the Range offices having been provided from existing permanent and temporary staff.

The Deputy Commissioner is, therefore, requested to submit at an early date a statement showing the outstanding arrears on account of previous year's and those on account of current year's demand for insertion in columns 56 and 57, respectively, of the returns of the current year already submitted, and also to adopt the same procedure in the preparation of the statements in future.

Proceedings of the Government of Mysore,

Correspondence ending with letter No. 871, dated the 23rd November 1896, from the Deputy Commissioner of the Mysore district, regarding the establishment of an Agricultural Bank at Nanjangud.

No. 5999-6002—R. F. 114-95, DATED, BANGALORE, 4TH JANUARY 1897.

ORDER THEREON.—Srikantasastri and 25 others pray for the establishment of an Agricultural Bank at Nanjangud. The value of the property owned by the members is estimated at Rs. 78,205, with an encumbrance of Rs. 6,550, as corrected in this office, not Rs. 94,965 and Rs. 12,050, respectively, as per statement submitted by the Deputy Commissioner. The members propose to start the Bank with a capital of Rs. 30,000, but the Deputy Commissioner recommends the grant of an advance of Rs. 26,000 to be supplemented by a private deposit of Rs. 4,000, so that the members may start the Bank with a capital of Rs. 30,000. Under these circumstances, Government are pleased to sanction the said advance of Rs. 26,000, which the Deputy Commissioner will place in the Nanjangud Taluk Treasury for the purpose of being drawn as occasion arises. Interest at 4 per cent per annum should be recovered half yearly from the Bank up to 30th June and 31st December of each year on the sums actually borrowed by the Bank. The Memorandum and Articles of Association referred to above will be forwarded to the Deputy Commissioner, who will recover Rs. 5 on account of the stamp duty, duly certify thereon to the fact of his having done so, and transmit the same direct to the Registrar of Joint Stock Companies, together with the Transfer Receipt for Rs. 1-8-0, herewith returned.

2. It is observed from the Amildar's report No. 202, dated 12th August 1896, and the extract from the topo-sheet of the taluk that the number of villages to be benefitted by the Bank is 23, while Nanjangud alone is shown in the statement of the valuation of the property held by the members. This is evidently incorrect.

Letter No. 467, dated 23rd November 1896, from the Deputy Commissioner, Tumkur district, submitting, for sanction, a refund bill for Rs. 40-8-0, in favor of one Syed Jalal of Huliyar in the Chiknayakanhalli taluk.

No. 6379-80—Fl. 540, DATED, BANGALORE, 19TH JANUARY 1897.

ORDER THEREON.—The facts of the case are:— On the 20th August 1895, Syed Jalal applied for Phod No. 2 of S. No. 50 measuring 40 acres and 21 guntas in the Marenadu village, Huliyar sub-taluk. After due publication of the usual notice, the sale was held by the Shekdar on the 15th September 1895, and the land was knocked down to the applicant, whose bid (Rs. 120) was the highest. The Deputy Amildar, not being satisfied with the result of the sale, observed that if Syed Jalal agreed to pay Rs. 162-4-0 for the land at Rs. 4 per acre, one-fourth of

the amount might be taken from him as deposit, he being allowed to pay the balance on the 15th day from the date of sale, and that the matter would be reported for the approval of the Deputy Commissioner. When this was made known to him on the 18th September, Syed Jalal agreed to the Deputy Amildar's proposal and paid Rs. 40–8–0 to the patel. The Deputy Commissioner, on receipt of the Deputy Amildar's report, held that, under para 22 of Rule XX of the Land Revenue Rules, the sale in question should have been held by the Deputy Amildar. He, therefore, directed the Deputy Amildar to hold a re-sale, starting with Rs. 162-4-0 as the first bid of Syed Jalal. A re-sale was held on the 28th March 1896, with the result that there were no bidders except Syed Jalal, in whose name the sale accordingly was closed. This result was finally reported to the Deputy Commissioner on the 19th April 1896, and the Deputy Amildar further stated that Syed Jalal did not pay the balance of purchase money on or before the 15th day, *i. e.*, 12th April 1896, that the land contained a larger number of date and other trees than the number mentioned in the record of the first sale, the reason for the difference being that the shekdar, who had no phod statement with him to show the exact boundary of the land, at the time of his inspection, had merely numbered the trees as shown to him by the shanbhog and the patel. Under these circumstances, the Deputy Amildar solicited instructions as to whether the land might be subdivided again and the portions containing date trees excluded—a course to which Syed Jalal had no objection—or whether the sale might be confirmed. In observing that Syed Jalal had failed to pay the balance of purchase money on the prescribed date, the Deputy Commissioner cancelled the sale on the 25th May 1896, and directed that the deposit money paid by him be credited to the Treasury, and that on receipt of fresh applications for the land a subdivision be made excluding the portions occupied by date trees. On the same date, but before the receipt of the Deputy Commissioner's above order, the Deputy Amildar reported that Syed Jalal had paid the balance of purchase money on the 22nd April 1896. After some further correspondence, the Deputy Commissioner directed on the 4th June 1896, that his order of 25th May 1896 should be carried out. The deposit money was accordingly credited to the Treasury on the 23rd June 1896.

2. Syed Jalal having since asked either for possession of the land, or for the return of the money paid by him, the Deputy Commissioner recommends the refund of the deposit amount on the ground of cancellation of the sale.

3. Government observe that the question whether, out of the land sold, the portion containing date trees should not be reserved, arose shortly after the 2nd sale, and that till this was settled, Syed Jalal was not bound to pay the balance of the purchase money. As a matter of fact, the exclusion of the aforesaid portion was subsequently ordered, and for what remained, Syed Jalal was, certainly, not bound to pay the price fixed for the whole land. Under these circumstances, the refund bill for Rs. 40-8-0 is sanctioned, and passed on to the Comptroller for audit.

4. The Deputy Commissioner's attention is drawn to the loose manner in which the sale was conducted, even without knowing the boundaries of the land sold. Such irregularities are calculated to lead to undesirable complications and should be avoided.

5. The Deputy Commissioner is requested to reserve so much of the land as may be required for Excise purposes and re-sell the rest in due course.

No. 6479-82—R. F. 113-95, DATED, BANGALORE, 22ND JANUARY 1897.

ORDER THEREON.—With the above, the Deputy Commissioner submits the Memorandum and Articles of Association of the proposed Agricultural Bank at Nonavinkere in the Tiptur taluk.

2. The Bank is proposed to be established for the benefit of Nonavinkere and 34 other villages, and there are 12 members who own 356 acres and 14 guntas of land (of which 27 acres and 22 guntas are inam), the aggregate value of which is estimated at Rs. 34,425 with a liability of Rs. 5,550.

3. The members propose to start the Bank with a capital of Rs. 10,000, but the Deputy Commissioner recommends the grant of a loan of Rs. 7,000. Government accordingly sanction an advance not exceeding Rs. 7,000 being made for the Agricultural Bank at Nonavinkere, and authorise the Deputy Commissioner to place the said amount in the Tiptur Taluk Treasury for the purpose. Proceedings of the Government of Mysore,

READ:—

Petition of Unnamalai Ammal, mother of the minor Jahgirdar of Sivanasamudram, dated 10th November 1896, praying for a review of the orders of Government No. C. 10—12, dated 17th October 1896, directing that the management of the Sivanasamudram temples and of inam villages forming the endowment therefor be assumed by the Government in the Muzrai Department.

No. 802-3—Muz. F. 28-96, DATED, BANGALORE, 22ND JANUARY 1897.

ORDER THEREON.—The petitioner's contention against the assumption of the management by the Government is based chiefly upon two grounds, namely:—

1st, that under the terms of the Sannad granting the inam villages in question, the Jahgirdar is entitled to those villages as his absolute property;

and 2ndly, that there has been no mismanagement of the temples or of the villages by the Jahgirdar and his representatives and that therefore no grounds exist for any interference on the part of the Government.

2. Upon the first of these grounds, it is only necessary to refer to the Sannad of 24th December 1829. This Sannad expressly stated that the object of the grant was the perpetual maintenance of the Temples, Agrahars and other Charities restored and established by Ramaswami Mudaliar, the ancestor of the minor Jahgirdar. In referring to any possible improved future revenue of the inam villages through the exertions of the grantee or his descendants, the Sannad expressly declared that all such increased revenue should be used by them "so as to cause the abovementioned restored charities to be maintained "in perpetuity and so as to cause the prosperity of the Sirkar to be prayed for "in Sri Ranganathaswami's presence". No words can more clearly express that the intention of His Highness Krishnaraj Wodeyar III in granting the inam villages was to make them and their revenues from whatever source the absolute inalienable property of the temples and charities in question and that no residuary right of any kind was intended to be reserved or granted to the Jahgirdar. The Sannad towards the end contains the usual clauses regarding alienation and rights of property in favor of the grantee, but these clauses cannot, from the nature of the case, be construed as vesting in the grantee any powers of alienation or rights of property as *against the temples and charities* and can only be regarded as indicative of the Maharaja's desire, that the grant was absolute and contained no reservation of any kind in favor of *himself* and *his successors*. Under such circumstances, the Jahgirdar has every right and power to deal with the inam villages subject to the one paramount condition, that all his acts must be for the use and benefit of the temples and other charities named. In short, he is in the position of a Trustee for the temple and the charities, and he is bound by all the principles and rules which govern the conduct of a Trustee as regards Trust property.

3. The Inam Title-Deed granted for the villages during the Inam Settlement, also declares the inam to be a Devadaya one and the holder of the inam as the manager for the time being of the Devadaya institutions. Under such circumstances, there can be no doubt of the right of the Government to interfere whenever the institutions are not properly managed.

4. After the most careful enquiry the Government are satisfied that the Jahgirdar has been guilty of gross mismanagement of the institutions in question and of the property belonging thereto; and the Government therefore see no grounds whatever for any modification of the orders of the 17th October 1896, directing the assumption by the Muzrai Department of the direct management of these institutions and of the villages and other property belonging thereto.

5. Unnamalai Ammal's petition, praying for a revision of the orders of 17th October 1896, is accordingly rejected; and the Deputy Commissioner will be directed to give due effect to these orders forthwith.

Letter No. 611-26, dated 8th December 1896, from the Deputy Commissioner, Shimoga District, recommending that Sri Raghubhushana Tirthaswami, the Guru of the Bhimanakatte Matt, may be exempted from personal appearance in Civil Courts as the Matt is an ancient one.

No. 843, DATED, BANGALORE, 26TH JANUARY 1897.

ORDER THEREON.—The Deputy Commissioner reports that the Guru of the Bhimanakatte Matt was not included in the list of personages exempted from personal appearance in Civil Courts under the late Chief Commissioner's Proceedings No. 3862—Judl. 38, dated 15th July 1876, that the omission was, according to the report of the Amildar, due to no local enquiry having been held prior to the preparation of the list; and as the Matt is a very ancient one, the Deputy Commissioner now recommends that Sri Raghubhushana Tirthaswami, the present Guru of the Matt, may be conceded the privilege of exemption from personal appearance in Civil Courts.

2. The Government are willing to consider the advisability of expanding the list of the 15th July 1876; but any such expansion must be based upon some general principle and take into consideration all Matts of similar status in the Shimoga and other Districts.

3. The Deputy Commissioner's explanation of the Swami's silent acquiescence since July 1876 is unsatisfactory, and it is necessary to point out to that Officer that it is dangerous to accept as conclusive the Amildar's statement that no local enquiry was made previous to the framing of the list of 1876. As a matter of fact this and several other Matts in the District were recommended for exemption by the Deputy Commissioner of Shimoga to the Commissioner of the Nagar Division on the 27th April 1875, and the latter Officer submitted the same for the orders of the Chief Commissioner with his letter No. 122-75, dated 4th June 1875. Upon receipt of this recommendation, the Matt in question and many others were deliberately excluded from the finally sanctioned list published on the 15th July 1876.

4. Under such circumstances the excuse for the delay now set forth is wholly untenable; and the Government decline to exempt the Swami by a special notification, though the Deputy Commissioner's recommendation will be borne in mind in a proposed general revision of the list of exempted personages.

It should be noted here that in the estimate for constructing the Birur-Shimoga Railway provision is made for Accounts charges only but not for Direction.
